

SRI SRI UNIVERSITY: RISING RAPIDLY AS ONE OF THE BEST EDUCATIONAL INSTITUTIONS IN THE COUNTRY

Higher education has transformed into a business over the course of the past couple of decades. Various educational institutions have been operating in the higher education segment to cash in on the increasing demand for higher education institutions in the country. Acknowledging this situation, Sri Sri University, founded by Poojya Gurudev, Sri Sri Ravi Shankar Ji, was established with a vision to impart holistic and value-integrated education in order to develop visionary thinkers with social consciousness to lead and precipitate inevitable changes with summative call for Learn, Lead and Serve.

Standing apart from most other educational institutions in the country, Sri Sri University has always given importance to the wholesome development of their students by offering them the Best of the Spiritual Values and Wisdom of the East and Best of the Innovation and Technology of the West in order to nurture inspired learners. This has helped the University to offer top-notch higher education that can make a positive impact on the lives of their students and at the same time equip them with the required skills needed to thrive in this modern world.

Creating Centres of Excellence

Sri Sri University stands unique in the crowded Indian higher education space and the institute strives to offer the best of the east and the best of the west. The mission to create centres of excellence in knowledge and

research across the fields of study in order to equip students to achieve the highest levels of professional ability in a learning atmosphere that fosters human values to serve the needs of local, national and global economies further resonates the uniqueness of

the University. Sri Sri University has never backed down from any challenges and the University considers these challenges as opportunities to develop and become even stronger. This ability to take lead is just one of the many reasons why the University is able to grow at a rapid pace and attract worldwide attention. Amidst the current COVID scenario where educational institutions all across the country were struggling to find alternate methods to continue with their classes, Sri Sri University was quick to act and they successfully trained their teachers to conduct online classes which helped the University to conduct exams and even publish results without any major problems or delays.
