

### **Vision**

To build a camaraderie amongst the fellow colleagues with adventure mind to promote socially relevant campaign/training/workshops to stakeholders at large.

### **Mission**

Bikers' Club has prime motive of engaging in adventure activity with a plan to conduct socially relevant activities to educate and promote outreach programs.

Tentatively, bikers' club has plans to align the following activities;

- i) Ride for Water; ii) Ride for Trees; iii) Ride for Environment; iv) Ride for Healthy lifestyle; v) Ride for Sustainable Agriculture vi) Ride for Mindfulness vii) Ride for Traditional Food viii) Ride for Rural Adventure ix) Ride for Training on Specific Skills.

## **Rationale**

Social life in the fast phased living is becoming more routine lacking coherent enthusiasm to harness potential and effective contribution to society. Humanity is exploring several alternative ways to entertain and relax to revive the agility of mind and body. In this direction adventure sports are considered as one the ways to rejuvenate the mind. Amongst the adventure sports, biking in unfriendly terrain, forest landscapes, green-rural agricultural landscapes with a purpose is gaining importance in the modern society.

SSU has several enthusiastic individuals who are willing to participate in the group activity of adventure sports especially biking with purpose spread a message and/or contribute towards educating on issues relevant to society.

In this directions, the Bikers' Club will plan the activities, in relaxed, on certain occasions not affecting the work schedule, preferably on third Saturday of a month. The activity will be taken up on volunteering basis with ability to contribute and work as a team.

The club has a planned activities mandated to address issue based adventure sports as short to long distance travelling in groups.

## **The Clan**

The participation in the adventure sports is volunteer activity. However, the permission to participate in the activity is at the discretion of the group managers. All faculty members, staff and identified students are allowed to be part rider group.

## **Budget**

The break-up of budget is provided when an event planned. However, the minimum budget requirement is Rs. 25,000 per event.

### **Join Us**

Adventure is risky business, when on road. Road trip to unknown destination with likeable group is enlightening meditation. Any individual who wishes to join the group should have valid driving license, no road phobia, good road sense, no history of rude riding, no history of intoxicant usage, carries friendly demeanour, amicable to suggestions, has extensive riding experience in valley roads, heavy traffic zones and has sense of treating road as a friend. If you wish to be part of the bikers' club, you may enroll, if you meet the conditions. The decision to allow to join the group is at the discretion of the bikers' team. Let us know your interests?
