**VISION:** - The Dance club of Sri Sri University Vision is clear that the discipline, focus and artistic enlightenment of dance creates success in all aspects of life. Dance education contributes to the development of responsible, dedicated, determined, and creative adults in society.

We appreciate that the heart of a dancer is born into many different bodies and the love of dance can take on many different styles. We will develop well-prepared dancers, should they so choose to pursue the arts professionally or are college bound. Once a dancer always a dancer, dance is something students can come back to during all stages of their life.

**MISSION:** - The Sri Sri University Dance Club mission is to instill a great love of dance, while inspiring self-confidence, discipline and respect of the performing arts. We provide a solid technical foundation for the developing dancer. We advocate the study of Classical Odissi Dance as a foundation to instill an awareness of poise, alignment and technique. Our goal is to give each individual dancer the tools they need to take dance as far as they dream to take it. We believe if you can dream it you can achieve it!
