Sri Sri University, Cuttack, Odisha has partnered with Washington State University, USA by virtually signing an MoU on August 12, 2022.

The main focus of this partnership is to find sustainable solutions for the problems of the world through collaborative research in the areas of agriculture, organic farming, etc. The partnership would also open an avenue for both the Institutions to organize student and faculty exchange programs. This would be a trail blazer step for Sri Sri University to manifest the internationalization of education which is the mandate of National Education Policy, 2020.

The august gathering during the programme include Prof. (Mrs.) Rajita Kulkarni, President, Sri Sri University, Prof. B. R. Sharma, Vice-Chancellor, Sri Sri University, Dr. Paul Whitney, Associate Vice-President for International Programs, Washington State University, Dr. Sung Ahn, Associate Dean for International Programs at the Carson College of Business at Washington State University among other distinguished guests. Gurudev Sri Sri Ravi Shankar ji blessed all the members and mentioned that such collaborations and exchange of knowledge is the need of the virtual world today.
