16.2.2 Student's Council

The student council at SSU is a representative structure through which students of the university can participate in the affairs of the university, work in partnership with the university management, staff, and parents for the benefit of the students and the university.

The Council comprises of students from across the disciplines and are guided by the faculty members in their work and tasks.

The screenshot shows a Zoom meeting interface. The main content is a slide titled "What is Student Diversity?". The slide text reads: "Student diversity refers to the differences among students. In an increasingly fragmented society, the ability to connect with peers, coworkers and neighbours with diverse backgrounds and abilities is invaluable. Diversity improves critical-thinking skills, builds empathy and encourages students to think differently." To the right of the text is a photograph of four diverse young people (two men and two women) standing together, raising their hands in a celebratory gesture. The Zoom interface includes a top bar with "Recording...", "You are viewing Koyna G.'s screen", and "View Options". On the right side, there is a list of participants: Eshita G. (muted), Mr. Shekhar Todkar, Koyna G. (active), Rahul Krishnan (muted), SUBHAJEET BEHURA (muted), and Captain(IN) CS... (muted). At the bottom, there is a control bar with icons for Mute, Stop Video, Security, Participants (10), Chat, Share Screen, Pause/Stop Recording, Breakout Rooms, Reactions, Apps, More, and an End button. A watermark "Activate Windows. Go to Settings to activate Windows." is visible in the bottom right corner.
