SDG 5: GENDER EQUALITY

5.6 Women's progress measures:

5.6.1 Policy of non-discrimination against women

Sri Sri University have a policy of non-discrimination against women

Sri Sri University is pledged to handle and eliminate social exclusion, particularly gender discrimination. The University is committed to promoting social equity by the guidelines of the Human Rights Commission. The principles of equality and non-discrimination are rooted in the ethos of the Art of Living Organisation which drives the functioning of the Sri Sri University.

Description: Sri Sri University is dedicated to achieving SDG-5 (Gender Equality), specifically targeting 5.6 - Women's progress measures, with a comprehensive approach.

The university's commitment to 5.6.1, the policy of non-discrimination against women, is deeply ingrained in its ethos, influenced by the Art of Living Organization's principles. Sri Sri University has undertaken a multitude of initiatives to create a conducive socio-cultural environment for women. It aims to mainstream gender equality into all aspects of development and projects while addressing women's health through a holistic life cycle approach. The institution encourages access to quality education and workforce participation for women, ensuring equal participation in all activities. It strives to transform societal attitudes and mindsets by actively engaging the community, including men and boys.

Sri Sri University is developing a gender-sensitive system on campus and is dedicated to eliminating violence against women through policies, awareness, and engagement. The empowerment of vulnerable and marginalized women employees is also a priority. The university fosters stakeholder participation and partnerships for women's empowerment and employs robust monitoring, evaluation, audit, and data systems to bridge gender gaps. Sri Sri University is a staunch advocate for gender equality, diligently working to fulfil the SDG-5.6 goals and create an inclusive and equitable environment for women.
