SDG 5: GENDER EQUALITY

5.6 Women's progress measures:

5.6.4 Childcare facilities for students

Have accessible childcare facilities for students which allow recent mothers to attend university courses.

Many Parents of dependent children are debarred from taking up higher education as there is no childcare centre on the University campus to take care of the child. Going back to school with kids can be a challenge in many ways. Balancing life, family, work, and going back to university might seem like an impossible task, but with the proper support, it can be done. There are many resources available that make it easier for parents with young kids to return to college by providing support and affordable options for child care.
