SDG11: SUSTAINABLE CITIES & COMMUNITIES

11.4.4

Affordable housing for employees

Sri Sri University provides the employees coming from other towns and cities, affordable housing on the campus. The housing apartments for employees is geographically well distributed on the campus. There is a well implemented policy on affordable housing for the employees. This quality and affordability of housing in the campus has positive affect on both physical and mental health of the employees making them give their best at workplace.

The process is non tedious for applying for the housing for employees as per the policy. The desiring employee needs to apply for it and after assessing the applications received and the housing units available, it is allotted to them. The employees staying on the campus can enjoy the green campus and all the sports facilities provided on the campus.
