SDG 4: Quality Education

4.3 Lifelong Learning Measures

4.3.1 – Public Resources (Lifelong Learning)

Provide access to educational resources for those not studying at the university – e.g. computers, library, online courses, and access to lectures

Plate 1. Framework of learning management system

Description:

Sri Sri University has created a shared ecosystem which offers free educational materials and resources for student fraternity across the globe. Our infrastructural facilities like agriculture lab, Incubator lab, Computer lab have been used by hundreds of students who are not part of our university and benefitted in enhancing their learning process. Sri Sri University runs its own Online Learning Management System (LMS) www.ssulms.in, wherein the lectures of our best in class Faculty members are recorded and are
