1. **Purpose:** In our country, the graduation rate of women is very low. To narrow down the gaps between the graduation rate between men and women there is a need to track the Women Graduation Rate.

2. **Responsibility Centre:** Office of Executive Registrar

3. **Procedure:** The following procedure to be adopted for the above

(a) The Executive Registrar's office is to track the applications, acceptance and entry and completion rates across genders, with the data put up for the perusal of the VC after the completion of the admission process.

(b) Encourage female students to take admission by providing a large scholarship scheme

(c) Liaise with various philanthropic organisations for monetary support covering their admission fees, books, and other educational and daily expenses

(d) Look for partnerships with various Industries for the provision of scholarships to talented international female students.

e) Provision of the careers service to female students for job placements

f) Direct departments on practical measures to address student retention, targeting those at risk of dropping out, including a student mentoring scheme and a probationary support scheme for those who are failing.

g) Track application, acceptance and completion rates for female students.

h) Application, acceptance, entry and participation rates for female students.

i) Provision of appropriate women's access schemes, such as mentoring.

j) Encourage applications in areas where women are under-represented.
