

FACULTY OF HEALTH & WELLNESS (FHW)

Applications are invited for various **Faculty Positions**

As envisioned by Sri Sri Ravi Shankar Ji, Sri Sri University (SSU) was established in 2009 at Cuttack, Odisha is a center for world-class education in India. The SSU imparts holistic and value-integrated education to students from India and abroad. It has a sprawling 188 acres of green and serene campus on the banks of the river Kathajodi.

The health care scenario is rapidly changing all over the globe, orienting itself towards an integrated system where the different disciplines complement each other in their strengths and weaknesses. The Faculty of Health & Wellness stands to offer an effective approach to the treatment of many conditions and imbalances, complementing the technology-driven and highly specialized advances that are taking over the medical field.

Osteopathy, Yogic Science, Sports Physiology, and Physical Education are supported on a philosophy that underscores the role of self-regulating mechanisms in both health and disease.

The Faculty of Health & Wellness in Sri Sri University provides the ground for the holistic development of our students. The rigorous academic environment is combined with an experiential understanding of the mind through yoga and meditation, equipping the students with the domain knowledge, soft skills, and internal resources required to serve their patients with compassion and dedication.
