SDG 4 QUALITY EDUCATION

4.3.4 EDUCATION OUTREACH ACTIVITIES BEYOND CAMPUS

Sri Sri University organized multiple activities this year among them career counselling at local schools was a successful one. Team Udayam remembers they helped students identify their interests, skills, and strengths. They provided comprehensive information on various career options, emphasizing the importance of education and skill development in achieving aspirations. Through goal-setting guidance, networking opportunities, and a focus on essential soft skills,

Plate 1- On April 10, 2024, Team UDAYAM, , organized a career counseling session for schoolchildren as part of their commitment to SDG 4 (Quality Education). The program aimed to empower students by helping them explore their interests, identify strengths, and set meaningful career goals.

Plate 2- Through personalized, one-on-one interactions, students gained clarity and confidence in their career choices. They received valuable insights into various career paths, asked questions, and built important connections. The session was a significant step in supporting SDG 4's mission of quality education and guiding students toward a brighter future

Plate 3- Team UDAYAM, as part of their SDG 4 initiative, conducted a Career Counseling Interaction Session at a local high school. The session provided personalized guidance to help students explore career options, identify strengths, and set goals, empowering them with confidence and knowledge to make informed decisions about their future paths.

Plate 4- Sri Sri University's "Quality Time at Orphanage" event, organized by SDG4 Team Udayam under the mentorship of Aruni Agrawal, is a meaningful initiative that transcends academics by promoting social responsibility among students.

Plate 5- This program allows participants to engage with children in need of attention through games, storytelling, and heartfelt conversations. The vibrant energy of the students brings joy to the children, creating cherished memories and a sense of belonging.

SDG 4 QUALITY EDUCATION

Plate 6- This effort by the team Udayam, provides orphanage students with valuable insights into the importance of giving back to society, shaping them into compassionate individuals. Overall, the event is a commendable effort that fosters social responsibility and spreads joy to those in need.

Plate 7- Team UDAYAM members recently organized a volunteer meeting with parents in a local slum community who are not sending their children to school. The meeting aimed to raise awareness about the importance of education and address the challenges these families face in accessing schooling.

Plate 8- Team members held discussions with parents about barriers to education, highlighting its long-term benefits, offering enrolment support, and demonstrating their commitment to promoting SDG 4 (Quality Education) for families

Description:

University students committed to SDG 4 (Quality Education), organized many impactful initiatives in 2023-2024. These included a career counseling session to guide schoolchildren in setting meaningful career goals through personalized interactions, boosting their confidence in decision-making. Another program, "Quality Time at Orphanage," encouraged social responsibility among university students, fostering joy and support for children through games and storytelling. Additionally, a volunteer meeting with parents in a slum community addressed barriers to education, raising awareness about its importance and offering enrollment support. These efforts exemplify UDAYAM's dedication to quality education and social empowerment, creating lasting impacts on diverse communities.
